

## Biondo Group Supports United Way Of Pike County

MILFORD — The Biondo Group has consistently supported the fundraising efforts of the United Way of Pike County. Joseph Biondo, Jr., Chief Operating Officer and Senior Portfolio Manager, commented "community commitment is very important to us, it makes all the difference and the United Way plays a major role in bettering the lives of our county's residents."

Mike Peifer, President of United Way of Pike County, stated "that the gracious efforts of The Biondo Group are bringing us closer to achieving our 2006-2007 Campaign Goal of \$150,000. They have made the Voluntary Employee Payroll Deduction Plan a simple process and we appreciate all of their support. Not only are they passionate about helping their clients achieve their goals, they are passionate about helping Pike County residents that are in need. For example, the company matches employee contributions by 50%. It's just that easy."

United Way of Pike County supports 23 human services agencies that are designed to help our Pike County residents with resources ranging from food to shelter.
